

The US Commerce Association has chosen Chenin Orthodontics for the 2013 Henderson Awards in the Orthodontists classification.

Nationally, less than one-tenth of 1% (1 in 1000) of the 2013 Awards were certified as Five-Time awardees. For most companies, this recognition is a result of your dedication and efforts as well as the work of others in your organization that have helped build your business. Your team is now a part of an exclusive group of small businesses that have achieved this selection.

The US Commerce Association provides several ways for you to leverage your company's accomplishment. First, you may use the digital award image from this email in any of your online marketing. Also, the [press release](#) with the Chenin Orthodontics official Five-Time award announcement is on our website and available for your use. The US Commerce Association gives Chenin Orthodontics the right to distribute and display the digital award image and/or press release in any way you choose.
