## Making A Difference

**D**r. Stephen Chenin and his wife Linda, along with their family, recently donated almost \$20,000.00 worth of new and gently used toys to Child Haven. A truck

completely filled with toys arrived at the facility located near Pecos & Bonanza with a special delivery for kids who otherwise might not have had a joyful Christmas. The shelter is a temporary home for more than 121 children who have been taken away from their family because of abuse or neglect issues. About half these children are under the age of five, and many come with little or no possessions of their own. The Chenin's hope this sends a message of hope, and that the children will know that people in the community really do care about them. For information on donating to Child Haven, call 455-5390.
